

Hecht & Bannier - Languedoc Rosé(2015)

Summary

Grapes are sourced from vineyards with soils rich in limestone and clay that border the Etang of Thau, and from schist-rich vineyards from the area around Saint Chinian. Syrah for this Rosé is picked slightly earlier than the rest in order to retain a higher acidity level.

Vinification: The ripe grapes are pressed and vinified exclusively in stainless steel vats.

Vinification

Floral and spicy expression with ripe raspberry, a round palate with flavors of cherry and lifted by bright pineapple. Strawberry, watermelon and pomegranate nuances abound in this delectable crispy and dry wine that pairs with just about anything.
