

Inu Wine - Merlot

A round and very fruit-forward Merlot from central Maule valley. It displays an aromatic nose with notes of plum and black cherries, with slight cocoa, pepper, coffee, and toasted oak hints. In mouth, this wine presents an excellent structure, with strong fruit flavors, a full, concentrated palate and well-structured, mature tannins. Long, pleasant and elegant ending.

Merlot

Varieties: Merlot 100%

Vineyards Origin: CWC Wines Estate, Maule Valley
