

Aimery Cremant de Limoux Brut Rose NV

If you're looking for an alternative to rosé Champagne to add a touch of luxury to a summer celebration, then look no further. 'Crémant' sparkling wines are made using the same method as Champagne and with strict regulations around ageing. It's why these are as close as you'll get to the real thing without the famous-name prices. Delicate, fresh and refined with hints of strawberries and cream and a long, mouthfilling finish
