SEMI-DRY RIESLING

Apricots explode from the glass with hints of peach, as this beautifully balanced Riesling reveals aromas of clementine and honeydew, while the palate is treated to honey and hints of lemon zest. Enjoy this wine as an aperitif or serve with sweet potato and black bean enchiladas spiced with chipotle.

WINE CELLARS

For three generations our family has been growing wine grapes on the shores of Seneca Lake using only sustainable viticultural practices. So it's not just a fad for us, it's who we are. These "green" decisions not only protect the health of our employees, consumers, and neighbors, but also insure our continued ability to grow and deliver the best possible wine for generations to come.
